a/ Excluded from this sector are establishments primarily engaged in waste management services.
b/ The 1997 Economic Census is the first census to present data based on the new North American Industry Classification System (NAICS). Previous census data were presented according to the Standard Industrial Classification (SIC) system. Due to this change, comparability between census years may be limited.
c/ Establishments with payroll.
d/ Withheld to avoid disclosing data of individual companies; data are included in higher level totals.
e/ 1,000 to 2,499 employees
